

St. Albert—Morinville—Legal to host Cabinet Tour

Members of the Alberta Cabinet will be touring the St. Albert constituency on Sept. 9 and 10 together with MLA Ernie Jamison.

A breakfast meeting is planned for St. Albert on Monday, September 9 from 7:20 a.m. till 9:30 a.m. Dr. Hugh Horner, deputy Premier and Minister of Agriculture, Gordon Minely, provincial treasurer and Helen Huntley, solicitor general will be here.

St. Albert and District Chamber of Commerce and

the town will host the breakfast at the Club Comoco at no charge to the public. Gerry Belke, Phil Bateman of the Chamber and Bob Byron, town administrator are in charge of arrangements. Breakfast will get underway sharp at 7:20 a.m., for the early risers so as to enable them to meet the group and still have time to get to their jobs.

2:30 P.M. TILL 4:30 P.M. LEGAL, SEPT. 9 CABINET TOUR

Dr. Horner's group will

be in the Village of Legal on Monday afternoon, Sept. 9 from 2:30 till 4:30 p.m. Mrs. Lucienne Montpetit, Mayor Joe Nault and M.D. Councillor Walter Van de Walle are in charge of arrangements. The get-together will be held in the Community Hall where coffee and a light lunch will be served.

TUESDAY 8 A.M. TILL 10 A.M. SEPTEMBER 10

BREAKFAST IN MORINVILLE

Another group of Cabinet Ministers will be visiting

Morinville on Tuesday at 8 a.m., Sept. 10. The public is invited for coffee and to meet the ministers from 9:30 a.m. until 10 a.m. at the

Recreation Centre, Don Getty, minister of Intergovernmental Affairs; Mary Leitch, attorney general and Allan Warrack, minister of lands

and forests together with MLA Ernie Jamison will be in Morinville. After the Morinville reception the group Please Turn To Page 2

Ray Gibbon Seeks Third Term

As campaign chairman for Mayor Ray Gibbon, Mr. John Benders officially announced his candidacy for a third term as Mayor in the St. Albert Civic Election of October 16, 1974.

Ray has been a member of the Town Council since 1965. During this period of

time he has actively pursued better government for the citizens of St. Albert, and the province, through the Albert Urban Municipalities Association, and other contacts, in seeking changes and additions to Provincial Legislation, the press release states. He presently holds the elected office of Second Vice President of the A. U. M. A. and represents the Association on several committees.

A campaign committee has been formed and we would appreciate any assistance in the form of active workers, coffee parties, or group meetings of citizens. For information on town affairs or officers of assistance please phone: 459-7614, 459-3253 or 459-5458.

The Pitch show on stage at Expo, with Father Duchesneau in psychedelic shirt at centre right. Grouping was adjusted due to the brilliant sunlight which had the effect of the singers and musicians not being able to see their director. Comments to Father Duchesneau and to members of the Adult Committee who accompanied the group of 85 young people, indicated the tremendous reception given the group by the large crowds at their performances. One visitor, formerly from Holland and now in Salt Lake City told Father he should be making records and hitting the road with his rock group.

Sod turning for seniors centre

On Thursday afternoon, August 29, the official sod turning ceremony for the RCMP Century Celebrations Senior Citizens Recreation Centre took place.

A large group of senior citizens, Women's Institute members and interested citizens were present. Special guests were introduced by Mrs. Nora Rouault, president of the Women's Institute.

Greetings from the province were extended by MLA Ernie Jamison who wished the WI members success in their endeavour. Constable J. D. Brown, from the local RCMP detachment, congratulated the ladies with their project and wished them every success.

Other guests included Mrs. Lily Szuba, president of the Senior Citizens; Mrs. J. Bertch, St. Albert P.S.S., Mrs. Mary Dalman, Mrs. Lorraine Moore, Mrs. Agnes Richardson, members of the Senior Citizens Recreation Centre planning committee; and Mr. Don Mala from New Horizons and Bill Jones and Ken Moore of the Lions Club.

Taking part in the sod turning were Mr. Jamison, Constable Brown, Mrs. Rouault, and Mrs. Szuba.

Following the ceremony, coffee and lunch was served

at the Community Hall at tables decorated with beautiful bouquets of summer flowers. A sketch of the Recreation Centre was on display for all to see.

Sixty people signed the guest book.

The Women's Institute had everybody get in the act at the official sod-turning held last Thursday afternoon at the site of the Senior Citizens Centre on the northeast corner of Lions Park in the new section. On the spade are Nora Rouault at left, president of the WI, Constable John Donald Brown of the St. Albert detachment, RCMP, MLA Ernie Jamison and Lily Szuba, president of the

Pitch at Expo - Good Vibrations

A group of seven young people who went to Expo in Spokane with the Pitch Choir, nine musicians and 10 technicians had a variety of different impressions, favorite highlights of their trip, but

all the vibrations indicated that it was a great experience and one they won't forget. They dropped in to talk about it last week.

Most of the 85 kids travelled in two buses, but Mike

Byl accompanied Father Jake Joly in biking it from Radium Hot Springs - about 300 miles. Which seemed like a pretty good effort, but Mike met two fellows down there from New York who had cycled 1,800 miles on a sponsored trip. One of the group commented that the bus was the best part of the trip - "well not really, I guess." They were accompanied by eight counsellors, former Pitch members. Their baggage and equipment went by van, along with some members of the Adult Committee, others of whom travelled by car.

They were put up in a school near the site some 20 boys in the gym and about 55 girls in three classrooms - "they made enough noise for 100," said Jerry Cloutier. Meals were "really good - all you could eat for supper for \$1.35 at the cafeteria at Gonzaga University in the vicinity.

They did five half hour performances in three days at the International Pavilion stage, plus a Saturday night folk mass and concert "Our House" at a cathedral. Everybody seemed to agree that the fourth show was the best they did, at 6 p.m.

Expo -

Continued From Front

August 22, "Maybe because it was the best crowd," said Karen Wilson, One youngster in a long dress started dancing and stayed with us right through. They were playing directly to their audience who were right in front of them. Some would sit down for the entire show, some would walk around and some would stay awhile and leave - "but they really responded," said Mike, which helps out. "When we did songs where the audience could clap, they always joined in, noted Cathy Holden.

The songs were varied in each performance and asked their favorites "Beautiful People" was the choice of both Karen and Lori Dowell, with Debbie Kremer doing a great solo. "We Beseech You" with Helen Leblanc and Robert Plon was another favorite with both the Pitch group and audiences and Hal-lelujah was picked for the most appeal to the young crowd - "it was about the heaviest - the only real rock sound," said Susan Schuchard. Father Duchesneau chose the songs and their order for the best balance

commented Cathy - for example we didn't do two slow songs in a row. Timing was extremely important doing 11 numbers each show and the songs were arranged to flow into each other as a medley, with split second timing required of the pianists and guitarists. Extensive use was made of soloists, duets and trios, also contributing to a balanced performance, which included some French songs as well as English.

Gerry talked to the technician who handled the sound at the stage. "He said we had the best professional sound - of all the groups there - he was from a Spokane radio station," Gerry said, quietly, but with pride.

Don't talk about the cathedral, said Betty Muskens, who got the impression from a couple of older people she heard that they did not enjoy the folk mass or the Our House folk opera. However Father Duchesneau said they played to nearly 1,000 people and most he talked to were profoundly impressed, especially with the mass - some left before the opera he not-

ed - it was getting on Saturday evening, but many people told him they enjoyed the group tremendously.

Pitch was invited to see Godspell, a rock opera by a small group of 12 to 15 professional performers from New York, at performance in a Spokane auditorium. "It really had a lot of message," said Kathy. They did some of the same songs we do, like We Beseech Thee, Day by Day and All for the Best," said Gerry. This group had heard Pitch at Expo grounds and asked them to join with them in some numbers, but we were too shy."

Outings included a raft ride down the river, organized by Mr. Morris and a visit to Grand Coulee Dam. "Fantastic," said Karen. Gerry supplied the information that there was enough concrete in it to go around the equator in a band five feet wide and four feet thick. At the grounds the U.S. pavilion was a favorite attraction and they were all somewhat awed by the enormous film screen, six stories high and nine stories wide showing a film with Chief Dan George, entitled Earth Belongs to Man - Man Belongs to Earth. "You had the feeling you were riding in a plane - that things were actually happening to you, the projector was the size of a Volkswagen." "Most also picked the Russian Pavilion as a favorite, on Conservation. "You could spend seven or eight hours there," said Mike.

There was lots of walking, but all the kids thought the site was beautiful - "you could cool off your feet in the water." The midway was not set up to take your money either, said Karen. The fireworks were actually scary at times said Betty, and Karen though the lineups for the sky train were "too much."

It was the first visit to the United States for some of the Pitch members and all agreed the people were friendly and not at all stuck up. Some thought they had plenty of time in three days and others thought it was not long enough to see everything at Expo. All agreed the time went by fast and it was a tremendous experience.

What are we paying our Town Council

In the light of the upcoming election of mayor and councillors it may be of interest to review the sums paid to them for their services.

On April 8, Coun. Thronson presented a circular on council remuneration as recommended by the Administration Committee at their meeting of March 18, 1974. Coun. Thronson moved that the Mayor's remuneration be \$12,000 per annum salary with one-third or \$4,000 deemed to be for expenses. No allowance has been given for attendance at meetings. Entertainment and extraneous expenses are reimbursed on presentation of receipts. Transportation expenses are reimbursed for journeys outside a 20-mile radius of St. Albert and return, the vehicle allowance is computed at 15¢ per mile from and return to St. Albert.

Coun. Lukay amended the resolution by requiring receipts for entertainment and extraneous expenses only for those in excess of \$10, and the amendment carried with

a vote of 5 to 2. A further amendment to the resolution was moved by Coun. Hudson to the effect that permission be given for the payment of transportation expense within the 20-mile radius of St. Albert until a car allowance policy for the Mayor has been presented and approved.

For those councillors serving in the capacity of Deputy Mayor, a remuneration of \$36 per month, was moved by Coun. Thronson and carried.

On September 4, 1973, the subject of councillor remuneration was brought forward. Coun. Lukay moved that the councillor's salaries be placed at \$24 and expenses of \$12, for a total of \$36, per meeting. The motion was carried with a recorded vote of 4 to 3. Coun. Bakker, de Bruijn and Thronson opposed. It was revealed at this meeting that from Aug. 1st, 1972, to Aug. 1st, 1973, the councillors' attendance

was as follows: Coun. Hudson - 70; Coun. Lukay - 82; Coun. Fyfe - 43; Coun. Kambourff - 17; Coun. Bakker - 72; Coun. de Bruijn - 77. The byelection held when Coun. Kambourff moved from St. Albert saw Coun. Fyfe replacing him on council will explain the attendance record for these two persons.

ROBERT L. BYRON,
ADMINISTRATOR.

McCaffery will seek Trustee position

Mrs. Shirley McCaffery of Ridgewood Terrace has announced that she will be a candidate in the forthcoming election for trustees for St. Albert District No. 6 (Protestant) Separate School Board. Shirley, a mother of three boys aged 10, 8 and 3, has been a resident of St. Albert since 1967. She

SHIRLEY McCAFFERY

works as a studio director for a graphic arts firm. Shirley's interest in the community and in education is well illustrated by the fact that she is a board member of two boards, the St. Albert Public Library Board and the St. Albert Day Care Centre, and she is also a member of the Sir Alexander Mackenzie School Parent-Teacher Advisory Committee and a member of the St. Albert Area Further Education Council. In addition, Shirley has attended school board meetings for the past 2 1/2 years and when one seat became

available in mid-term she narrowly missed election by a very small margin.

Shirley has several major concerns and, if elected, would work towards the following: Minimizing the delays in school construction and thereby realizing a savings in many areas to the taxpayer; making early childhood education more readily available; establishing more extensive pre-school testing programs; developing a curriculum more relevant to everyday life; and, improving communication between the board and the many other organizations and parties involved in children's education. Shirley would also like to see greater community use of schools. Shirley welcomes questions and would like to hear the concerns of parents and invites those interested to call 459-4360, 459-8267 or 452-7676.

Members of the Sturgeon General Hospital Auxiliary are reminded that their first meeting after the summer recess will take place on Monday, Sept. 9 at 8 p.m. in the hospital cafeteria.

Bill Webber will run again in District 6

Mr. Bill Webber of Grange Road, St. Albert, will seek re-election to the board of the St. Albert Separate School District No. 6 (Protestant). Bill regards himself as a home grown boy having been born and raised in Edmonton. He and his wife Joan moved to the house they still occupy in St. Albert in 1955, and they have four children in Grades 7 to 12.

Bill has worked for Northwest Utilities for 24 years and is foreman of a regulation system. His hobbies are skiing and camping and he is quite a handyman, having built his own home. In the community, Bill has been very active and he has been president of the Lions Club and finance chairman of the United Church. In addition, Bill has been a trustee of the St. Albert Separate School District No. 6 since 1973.

As a trustee, Bill considers that the biggest problem facing the board this past year or more has been inadequate space. He is con-

BILL WEBBER

fident that the board has found the resolve to meet this problem.

Stability is one of Bill's strong characteristics and he projects a dedicated and sincere image. He takes his responsibilities as a trustee very seriously. Bill sees his role on the board as a representative of the parents and enjoys best the employee relations aspect of the job.

Bus schedule a nightmare

The Editor:

On Friday evening last, I received my personalized one-to-a-family copy of the New St. Albert Transit Schedule. At once I began to unfold it, and unfold it - and when I ran out of room on the coffee table, operations were transferred to the floor and finally this magnificent plan of St. Albert was fully exposed to view - traffic loops, arterial roads, areas of annexation, commercial zones - the whole bit - even the bus route and a garbled legend babbling about buses going both ways, local bus operating in opposite directions and peak hours (the hours when one is really high). There is a notation that none of this is binding on the town of St. Albert - which is just as well.

Now to the other side - with the wife at one end of the sheet and myself at the other - a quick flip and there to greet the eye was the extended, expanded and incomprehensible bus schedule - divided, subdivided and complete with footnotes.

On to check the new service: Edmonton-St. Albert

East - how nice! But what is this? There are three buses serving St. Albert during the hour - which would get me to work - much too early, a bit early or a bit late - all of them arriving at the St. Albert bus depot, then returning to the depot after jaunting through Grandin and Lacombe. Quite an improvement for the people of Sturgeon!

Wait a minute - perhaps the service to Grandin has been upgraded, and the buses for Edmonton-St. Albert West run from the bus depot through Sturgeon and back to the depot - oh, to hell with it; I'll go get my bus pass Saturday and maybe someone there will explain it all.

On to the library Saturday - what luck, there is no line up. No bus passes either. For, in order to purchase a bus pass one must be photographed and plasticized, and the equipment is not installed - maybe by Wednesday - but phone first!

St. Albert bus passes are personal, holy things, not to be bantled about. With its usual thoroughness our

town fathers decided upon the photograph id system to prevent any heedless desecration - as it may be suggested an extra expense.

It seems hardly possible for two people to use the same pass - although after much deep thought I could suggest a way - procure two carrier pigeons. Person A buys a pass, takes the first bus in the morning; at Edmonton tie the pass to the pigeon's leg and start it on its way to Person B. Person B takes the pass and goes to work; and attaches the pass to a second pigeon who flies over to Person A's place of work. Person A retrieves the pass, goes home; then attaches the pass - skip it. The plan will call for as many pigeons as the bus schedule and pass system required jackasses, to draw it up. How many members on town council?

Monday, Labour Day, and the girls on the E.T.S. switchboard were laboring (that's a straight line, Mac), I phoned about two to enquire about the new schedule. So was everybody else in St. Albert. I was told; and in addition, it was a nightmare to everyone in the E.T.S.; the times were wrong for some runs; some of the runs listed were not runs at all while some of the runs projected for the future were already regular runs.

Tomorrow I propose to sit at my closest bus stop from six in the morning to 10 at night and make out my own bus schedule - and I would suggest that those responsible or associated with planning the new improved bus system in St. Albert submit to a medical in order to determine if certain vital organs are in the right places and functioning in the proper manner.

Maurice C. Sullivan, Sturgeon Heights.

Decides not to run

The Editor:

When I was interviewed by your staff on August 8, 1974, I indicated my intent to seek a seat on St. Albert Town Council. I felt compelled to pursue this course because of a matter of principle. However, subsequent to that date I have learned that several very qualified people have expressed their desire to run for Mayor and Town Council. Their policies and views are basically shared by the writer and during the forthcoming campaign we would be running a parallel course. I feel there would be considerable duplication and because of this I don't intend to file nomination papers and contest a council seat.

I want to sincerely thank the many people who stated they would support me if I ran for council.

Possibly I will be able to serve to the betterment of my community in another capacity at a future date.

Doug Penny.

Major shopping centre needed

The Editor:

A major shopping centre is badly needed in St. Albert as long-time residents (14 years) of Grandin Park, my husband and I favour the Shapiro Site.

An addition to Grandin Mall, such as proposed by Mr. Belke, would, because of its size, not be suitable for a major department

store. At best, the development would attract a minor, bargain-type outlet. I don't think this is what the public wants.

The problem at Grandin Mall, as I see it, is not a shortage of floor space (I can't recall all stores ever being leased at any time). The facility is simply not conducive to happy shopping.

The parking is unreal, the mall filthy and many of the shopkeepers seem to have a "take-it-or-leave-it" attitude.

I am all in favour of supporting local merchants - but when the bakery runs out of bread at 7 p.m. and the supermarket looks like a disaster area and can't fill 10 or more items on my list, I'll take my business elsewhere, thank you.

Perhaps Mr. Belke is right when he says a major shopping centre will kill Grandin Mall - but then, perhaps, that's what is deserved. I should think that the progressive business people will want to move their shops to a well planned, professionally managed Centre.

The owner of Grandin Mall seems to care very little about the monster he helped create.

and driven to swim long after her body's resources were spent.

"This kind of spectacle, and particularly this coach's attitude, should not be interpreted by anyone as manifestations of the beneficial, useful, or rewarding aspects of amateur athletics. Instead, it is hoped that people will recognize this incident as a deplorable example of what can happen when concern for winning, for promotion of a particular sport, or for building the reputation of a coach, comes before a real concern for the physical and mental needs of the juvenile athlete."

Hennie Stibbe, Grandin Park.

AROUND TOWN

The Welcome Wagon Newcomers Club will hold their first meeting of the year at the St. Albert Community Hall on Monday, Sept. 9. Installation of the new executive will take place that evening. After a short business meeting the evening will be given over to entertainment, and Mrs. Peggy Atsille, president elect has a few surprises in store for members and newcomers.

Cliff Keyes to run for Town Council

The administrator of Sturgeon General Hospital, Mr. Clifford Keyes wants to be more actively involved in the community and feels that he could best use his training and background by contributing to the development of St. Albert as a member of town council. The hospital is just one phase and I would like to broaden the scope of my involvement, he told

the Gazette last Thursday. He has therefore decided to run for office in October. The Keyes family has always lived in large cities and have come to like St. Albert a great deal in the three years they have been here. "I have seen a lot of the problems of large cities and as a councillor I would like to help avoid some of the conditions we have lived

with," Mr. Keyes commented. This will be the first time he has sought any kind of public office.

Born in Ottawa in 1923, Cliff has continually retained his Canadian citizenship although he was raised in Detroit. He obtained a Bachelor of Arts degree from Wayne State University in Detroit, and went on to complete a Bachelor of Laws and Doctor of Law degrees at the University of Detroit. His education was interrupted during World War 2 when he served with the American Air Force.

He worked in personnel administration and labour relations for the central staff at Ford Motor Company and Chrysler Corporation prior to going to Tucson, Arizona in hospital administration in 1960. After 11 years in Tucson he moved to St. Albert in November of 1971.

As a town council member Mr. Keyes feels he could offer effective ability to analyze issues and questions in a objective manner and would work with fellow members for an approach more inclined to look at all sides of a question. "There may also be a need," he said, "to explore more thoroughly the provincial and federal

CLIFF KEYES

government program of funding, which could benefit the town," and he feels his legal background would be useful in this area. "I have had much experience in making presentations, being involved in this way with both industry and hospital work, and much hinges on the thoroughness and clarity of a presentation," he stated.

St. Albert is a young community, the average age is 19, Mr. Keyes said, and there is need for a complete centre for recreation and social activities, with emphasis on young people. As

a father of several teenagers he thinks a centre to serve the year around should be a goal, with a lot of consultation with groups such as the drama group, young people, high school people and senior citizens. It should include a civic auditorium as well, he said and planning should include wide public input, with the public made aware of costs. We need another arena, another outdoor and an indoor pool but the public should be fully aware "if this is what you want, it will cost about this much per year."

Two final areas of concern which influenced Mr. Keyes' decision to seek office on council were the river and the town's growth. "We are so fortunate to have a river in our town, and I would like to see it developed into something much more attractive than it is," he said. And he stressed the need for involvement of private citizens "who worry about the obvious growth coming up" - "I wonder if they shouldn't have more say in how and when it comes."

Mr. Keyes is an active member of the Roman Catholic Parish here and while

in Tucson served seven years on the board of directors of the Catholic Social Services for the diocese, doing much of his work in this field with young people. He worked actively with a program for employment of the handicapped as well, Tucson being a centre noted for its involvement in this field.

He was involved in establishing the Eye Bank in St. Albert which has been operating just over a year, working with the C.N.I.B., the Lions Club and the hospital. He assists the Meals on Wheels program and was appointed by Council to an Ad Hoc committee on Preventive Social Services.

Mr. and Mrs. Keyes have a family of seven, with three daughters and two sons at home, and two daughters married, one living in Edmonton and one in San Francisco. Mr. Keyes left on Friday for Detroit and will be away for a while due to the serious illness of his mother. His telephone at home is 459-6158.

PUBLIC NOTICE

- BYLAW NO. 2, 1974

By the Board of Trustees of the St. Albert School District No. 3 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert School District No. 3, of the Province of Alberta, that the additional sum of One Hundred Eighty Thousand Dollars (\$180,000.00) should be borrowed on the security of the said District by the issue of Debentures repayable to the bearer in twenty-five (25) consecutive annual instalments with interest at the rate of not more than twelve per centum (12%) per annum for the following purposes namely:

To supplement the anticipated increased cost of:

- landscaping Site at an estimated cost of . . . \$ 9,200.
- er-ecting a Frame and Masonry Community Core School to consist of 6 general classrooms, 1 Early Childhood Service facility, 1 Science Experience Classroom, 1 ancillary classroom, 1 Library, 1 Gymnasium (two-station), 1 Home Economics (two-station), 1 Industrial Arts Laboratory (two-station), 1 Stage; Administrative Centre consisting of 1 Principal's office, 1 Vice Principal's office, 2 Counselling areas, Secretary and general Administration Area, 1 Administration Conference Room, Staff Centre consisting of 1 Staff Common Room, 1 Staff Work Room, Staff Lavatories; plus 1 Gym Storage Room, Physical Education Offices; Shower and Dressing Rooms, 1 Infirmary, 1 Lunch Study Room including kitchen facility; plus provision for a "plug-in" of another 8 classrooms; at an estimated cost of . . . \$1,048,500, including Architect Fees, water supply, sewage disposal system, parking area with concrete curbs and sidewalks.
- construction, transportation and placement of 8 relocatable classrooms . . . \$ 129,600.
- providing furniture, millwork and equipment at an estimated cost of . . . \$ 100,700.
- in the Braeside Sub-division of St. Albert.

TOTAL: . . . \$1,288,000.

All of which has been authorized under Order No. 6991 issued by the Local Authorities Board dated May 24, 1974 and

WHEREAS, due to increased construction costs an additional amount of One Hundred Eighty Thousand Dollars (\$180,000.00) is required to complete the aforesaid project.

THEREFORE, notice is hereby given by the Board

of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, as amended, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

ERNEST HOWRISH,
CHAIRMAN.

Dated at St. Albert, Alberta
this 20th day of August, 1974.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY BYLAW IN A SCHOOL DISTRICT (Sections 2 (e), 3 and 104 - The School Act, 1970, as amended)

"Electors" for the purposes of petitioning for a vote on a debenture bylaw means a person:

- 18 years of age or older,
- who is a Canadian citizen or British subject, and
- who
 - in the case of a vote, is resident in the district or division in which the vote is to be held on nomination day, or
 - in the case of a petition, is resident in the district or division in which the petition is to be presented on the day upon which he signs the petition, and who has been a resident of Alberta for the six consecutive months immediately preceding nomination day or the day upon which he signs the petition, as the case may be;

A poll respecting the aforesaid borrowing may be demanded in a School District by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (e), 3 and 104 of The School Act, 1970, as amended.

The petition must be signed by at least

- 2 per cent of the electors in a district or division having 10,000 electors or more, or
- 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- 10 per cent of the electors in a district or division having less than 5,000 electors but 500 electors or more, or
- 15 per cent of the electors in a district or division having less than 500 electors, and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

THE PUBLIC UTILITIES BOARD FOR THE PROVINCE OF ALBERTA

IN THE MATTER OF "The Gas Utilities Act" being Chapter 158 of the Revised Statutes of Alberta, 1970;

AND IN THE MATTER OF "The Public Utilities Board Act" being Chapter 302 of the Revised Statutes of Alberta, 1970;

AND IN THE MATTER OF rates to be charged for gas supplied and services rendered by PLAINS-WESTERN GAS & ELECTRIC CO. LTD. the owner of a gas utility.

NOTICE OF PUBLIC RATE HEARING

APPLICATION having been filed with the Public Utilities Board by PLAINS-WESTERN GAS & ELECTRIC CO. LTD. (hereinafter called "the Applicant") and a Pre-Hearing Conference having been held for the consideration of preliminary matters pertaining to application (a) for an order of the Board fixing just and reasonable rates, charges or schedules for gas supplied and services rendered by the Applicant to its customers, and (b) for an order of the Board authorizing such interim rates as may, in the opinion of the Board, be required by the special circumstances of the case, pending the fixing of final rates.

NOW, THEREFORE, the Board hereby gives notice to all parties who may be interested that the Board will hold a Public Hearing at the Law Courts in the City of Edmonton, in the Province of Alberta, on Friday, the 13th day of September, 1974 at 10:00 o'clock in the forenoon to hear the application for interim rates, to consider and determine the dates for hearing the application for an order fixing just and reasonable final rates, charges or schedules for gas supplied and services rendered by the Applicant to its customers and for the filing of material by interested parties and the hearing of interested parties with respect to the application for final rates.

FURTHER, the Board advises that those parties who wish to take part in this hearing may obtain the material filed in support of the application by applying to the Applicant whose address is:

PLAINS-WESTERN GAS & ELECTRIC CO. LTD.
9924 - 63 AVENUE, EDMONTON, ALBERTA.

DATED at the City of Edmonton, in the Province of Alberta this 20th day of August, 1974.

PUBLIC UTILITIES BOARD
Eleventh Floor,
Manulife Building,
10055 - 106 Street
Edmonton, Alberta.

S. M. BARNETT
ACTING SECRETARY

Singers here Sun.

Larry and the Golden Helms Trio, who are performing at Elm Chapel, #1 Gate Avenue this Sunday, Sept. 6, have been heard throughout Canada and the United States in churches, concerts and camps. The six young people have made a lasting impression on many audiences with their vital-

ity and dedicated sound.

They will be singing some of today's most popular gospel songs and their performances are part of their own personal encounter with the Christ.

Larry and Carole Beisel began the Golden-Helms Trio five years ago, and have spent three of those years travelling full-time in the gospel circuit. Joining them are four talented and dedicated young people. Youngest member is three year old Starlene Beisel. The Golden-Helms Trio have recorded six albums. They travel nearly 50,000 miles a year in a self-contained bus. They work out of Chilliwack, British Columbia, Canada, under the Golden-Helms Trio Evangelistic Association.

Don't miss this opportunity to meet "The Singin' Canadians".

We're looking after the gas you need.

1. Before we can move natural gas through the thousands of miles of pipeline laid throughout Alberta we have to buy it from the well head, which takes about forty cents from every dollar that you pay us.
2. Along the line we pay to have the gas scrubbed clean of impurities and examined to make sure that it's top quality.
3. In our regulating stations we reduce gas pressures from 600 or more pounds per square inch to about 15 pounds per square inch.
4. The addition of an odorant, in order to detect leaks, plus "scrubbing" and pressure control take about eleven cents from that dollar we mentioned.
5. All the people on our payroll, from servicemen to bookkeepers take another fifteen cents from that well divided dollar.
6. Approximately thirty-one cents is taken from that dollar to provide for the hundreds of other items essential to our operations. These include equipment, franchise taxes, income taxes, the high cost of borrowing money and a reasonable return to investors.
7. Pressure is further reduced for safe home usage.
8. Most of the pennies remaining are invested back into the company.
9. The meter records the amount of gas you're consuming.
10. Your natural gas is now where it should be, in your home, making you comfortable.

Dorella Bourgeois passes at 85 years

An oldtimer of St. Albert, Mrs. Della Bourgeois, died on August 26 at the Youville Home at 6:15 a.m. She was 85 years old.

Prayers were held at the St. Albert Roman Catholic Church on Friday, August

23 at eight o'clock in the evening, conducted by Father Alphonse Roy.

Father Roy also celebrated the funeral mass August 24th at 10:30 a.m. Mrs. Berna Kennedy played the organ and soloists were Mrs. Tell-

MRS. DORELLA BOURGEOIS

ler and Sister Cecilia. Scripture readings were given by three grand-daughters, Mrs. Doreen McLellan, Mrs. Joanne Gill and Mrs. Louise Lougheed, and by Mr. Tom Flynn.

Palbearers were the oldest grandson from each family: Paul and Richard Bourgeois from Guy, Alberta; Tom from Spruce Grove, Ronald from Calgary, Jacques Gilles of St. Albert and Cory, carrying the Cross, also from St. Albert.

Following interment in the St. Albert cemetery, luncheon was served in the church hall.

Mrs. Bourgeois is survived by her three daughters, Marguerite, Lilly (Mrs. Wm. Veness) and Sister Cecilia; and eight sons, Leo, Roland, Joffre, Bernard, Joseph, Gaston, Henri and Levi. She was predeceased by her husband Joseph in 1951 and by four sons, Jules, Robert, Richard and Jacques in Guy, Alberta. She is also survived by 55 grandchildren and 40 great grandchildren, a brother, Lewis Pellerin and three sisters, Armande Doucet, Alice Lalancette and Rose Folsy, all of Montreal.

Mrs. Bourgeois was born at St. Celestine, P.Q. on October 14, 1889. After their marriage on January 13, 1908, the couple moved west to St. Albert. They later moved to St. Paul, which was to be their home for 17 years, and then to the Peace River district where Mrs. Bourgeois operated his livestock business for 10 years. They returned to St. Albert in 1940, the family home ever since.

Friends surprise Jessie Clendening

Everybody on the Mall knew there was going to be a party except the guest of honour. When Jessie Clendening walked into the St. Albert Inn dining room with Pal Peterson to have dinner, the band started playing for She's a Jolly Good Fellow. Then she discovered about 20 gals from Grandin Shoppers Mall seated at a table,

calling out Surprise, Surprise. There wasn't any doubt about it, Jessie was astounded.

She was escorted to the table and presented with an original and humorous scrapbook illustrating the life of a working girl on the mall, with all the businesses represented in suitable (?) fashion, which obviously

pleased her very much. During the evening all present autographed it for her.

Over refreshments everyone had a good visit with Jessie and many true stories were told of experiences over the 12 years she worked as an employee of Jim Byrne Mens' Wear. Following a delicious late dinner some of the fellows dropped by and dancing was enjoyed to the music of the Village Lads.

Wes and Jessie Clendening are now making their home at 11305 - 104 Street, Grande Prairie, where Wes is working with his son Jack, owner of the Civic Tire and Battery firm. After the move and before settling into the new work, the Clendening's enjoyed a short holiday. "I will really miss my job and all my lovely friends," said Jessie.

Jessie Clendening shows off her unique scrapbook, presented at a dinner party given for her by the girls on Grandin Shoppers Mall prior to her move to Grande Prairie.

David and Elaine Melnyk of Calgary who were married recently in St. Albert United Church. The bride is the daughter of Dr. and Mrs. William Cuts of Green Grove Drive, St. Albert.

ST. ALBERT & STURGEON GAZETTE, WEDNESDAY, SEPT. 4, 1974 - 13

SPORTS

By Larry Mitchell

This was a familiar scene last Monday as Carma Developers (light uniforms) ran up good yardage against the Ladies Quarterback Club and won 60-0. Half back

Brian McCann (arrow) has just caught a pass from quarterback Joe Tworek and ran for some 40 yards and a touchdown.

Bantam football team opens season with impressive win

The McCann Brothers, Paul and Brian, combined for six touchdowns to lead St. Albert's Carma Developers football team to an impressive 60-0 win over the Ladies Quarterback Club in their opening game in the Edmonton and District Bantam Football Association 16-team league. The game was played Labour Day morning at Kinsmen Park in Edmonton with the weatherman co-operating in grand style. St. Albert are trying to duplicate last season's performance when they won seven straight including a 20-0 win over the Razorbacks in the opener.

St. Albert had the game in control from the opening quarter when they held a 14-0 lead and at halftime were ahead 22-0. They increased their margin to 44-0 at three-quarter time and then scored 16 more in the fourth quarter for the big win.

Halfback Brian McCann led the scoring parade with four touchdowns, three on running plays and the other on a pass from Joe Tworek. Paul McCann scored both his majors on end sweeps. Fullback Rod Wiltshire ran with abandon up the middle for two touchdowns while Jordan Johnson took a pass for the ninth and final score. Joe Tworek was lifting his head on the conversion attempts and only managed three.

St. Albert's offensive squad, led by quarterbacks Joe Tworek and Paul McCann also produced four other majors that were called back on penalty infractions. The offense had no trouble penetrating the L.Q.B. defense while St. Albert's defense was superb as they held the L.Q.B. offense to only five first downs in the entire game. The defense also came up with three interceptions as Dan Kehoe and the Ammar brothers, Frank and Mark, hauled in stray passes.

Tworek was always on target with his excellent passes while McCann would make some pro signal callers look like rookies with his fakes and hand offs into the line. Both boys compliment each other and should be in for a while of a year.

St. Albert has only one injury with lineman Jeff Baker out for about three games with a pulled muscle in his leg. That injury came in a pre-season exhibition game last Thursday in St. Albert when Carma Developers came up with a 66-0 win over Palmer 49ers of the south division.

The scoring plays saw Joe Tworek fire touchdown passes of 35/45 and 60 yards to brother Francis. Paul McCann ran for three and would have had a fourth except that after running back a kickoff 90 yards he stopped on the five yard line and handed off to teammate Jeff Baker for the major. "That's team work," Robert Lee blocked a punt and ran it back for a T.D. while Rod Wiltshire ran up the middle for a 60 yard T.D. Joe Tworek rounded out the scoring on a pitch out from McCann for his T.D. As indicated by the score St. Albert had a good game both offensively and defensively.

Head coach Rick Suggitt and assistants Barry Suggitt, Jim McBain, Brian Monday and Herb Fisher were very pleased at the team's play and the few mistakes that were made will be worked on in practice.

St. Albert's next league game will be this Sunday at 11:30 a.m. when they take on the tough Canada Safeway team which won their opener 44-8 over Jenner Pontiacs.

St. Albert Kinsmen Minor Hockey Registration

The St. Albert Kinsmen Club advised the Gazette Tuesday they will again look

after the town's minor hockey program in co-operation with the St. Albert Parks and Recreation Department.

Pre-registration will take place at St. Albert Sportshop and Ozzies Cycle and Sportshop starting Saturday, September 7 and running to Saturday, September 14 during business hours.

Final registration will be held on Sept. 7 at the Clubhouse next to the swimming pool from 9 a.m. to 12 noon.

Registration rates have been raised this year in all categories and are as follows:

SHAYERS - \$9.00 - Jan. 1/66 to Dec. 31/67.
MITES - \$12.00 - Jan. 1, 1964 to Dec. 31/65.
PEEWEE - \$12.00 - Jan. 1/62 to Dec. 31/63.
BANTAMS - \$12.00 - Jan. 1/60 to Dec. 31/61.
MIDGET - \$15.00 - Jan. 1/58 to Dec. 31/59.

JUVENILE - \$15.00 - Jan. 1/56 to Dec. 31/57.
FAMILY PLAN - \$25.00.

The Kinsmen hockey committee expect some 1,400 boys to play this season which will require a lot of volunteer help to make it all possible. There will be about 90 teams and any interested parents wishing to coach, assist, referee, timekeeper etc., are also asked to fill out the bottom of the registration sheet and they will be contacted. As always it is the Kinsmen's wish that all boys be given an equal chance to play and with a little help from some adults it can all be made possible.

Let's talk
car
loans.
(and how we
can get you rolling)

If it's time you traded in your car, we should talk. Because we've been involved in financing cars for a long time and we know every dealer in town.

We'll put together a loan plan that will put a new car in your driveway without a big dent in your budget. In fact, we even have one car loan plan that gives you the full price of your car.

If this year is a new car year for you, stop by for a talk with your Bank of Montreal manager. He'll explain how we can help get you rolling.

Even if you're not a customer.

S. I. (Randy) Gaudet, Manager
Edward Podrinski, Accounts Manager
Thomas D. Skinner, Consumer Loans Officer.

TEAM CANADA PRACTICES UNDERWAY

Team Canada 74 practices are underway daily at the Edmonton Gardens in preparation for the upcoming eight game series against the Russian National team.

Coach Billy Harris from the Toronto Toros appears to have recruited some fairly good forward lines but they are definitely lacking on the blue line. The writer was out to Tuesday's practice and noted that everyone appeared to be out for a good skate with a little fun thrown in with the scrimmage. They will have to be in a lot better condition than they are now if they expect to duplicate Team Canada '72 that won the series in a

tough battle. Old pros Bobby Hull, Johnny McKenzie, Ralph Backstrom, Bruce MacGregor and Jean Claude Tremblay appeared to be the only players that were putting out among the veterans while Gene Sobchuk was the best rookie. The Howe family were not on skates but are now back in Edmonton and should be on the ice shortly. The scrimmage was officiated by some European referees and they appeared to know the rules quite well.

Team Canada will play the Western Canada Junior All-Star team Thursday, September 12 in the Gardens.

St. Albert REC. NEWS

SWIMMING:

The pool is still open! The weather (at the time of writing) is beautiful so why not take advantage of what is hoped will be an Indian summer and swim while you can.

The present schedule for weekdays includes public swimming from 4 - 6 p.m. (children can enjoy an after school swim) and from 7 - 9 p.m. with a teen and adult swim from 9 - 10 p.m. The weekend schedule remains the same as during July and August with the omission of the family swim on Sunday morning.

It is hoped to maintain this schedule till Sept. 15 - and even longer, with possible adjustments, if the weather looks promising and if staff is available. Watch for announcements in this column and notices posted at the pool.

ARTS & CRAFTS:
An advertisement announcing the classes being offered this Fall by the St. Albert Arts and Crafts Guild will be published next week. In the meantime, programs giving information about the classes are available at the Town Hall and the Town Library.

There is no pre-registration and registrations will be accepted at the Arts and Crafts Fair which will be held on Sunday, Sept. 15 from 2 - 4 p.m. in Sir George Simpson School, Grosvenor Blvd. and at the same school on Monday, Sept. 16 from 7 - 9 p.m.

PHYSICAL CULTURE:
Classes in physical culture, conducted by Margaret Thomson, will start on Thursday, Sept. 12 in Sir George Simpson School. An eight-week course will be given on Thursdays for the following age categories -- the 7 - 11's from 6 - 7 p.m. (cost \$3.25); the 12 - 16's from 7 - 8 p.m. (cost \$4.) and adults from 8 - 9:30 p.m. (cost \$6.50). The last-mentioned class will include 17

year olds at a fee of \$4.00.

Registrations are being taken at the Recreation Department in the Town Hall. **CHILDREN'S GYM:**

A 10-week session of children's gym classes, instructed by Kirsty Marshall, will start on Tuesday, Sept. 24 in either Leo Nickerson or Vital Grandin Schools. Classes for the 4 - 5 year olds will be held from 4 - 4:45 p.m. and for the 6 - 8's from 5 - 5:45 p.m.

The cost is \$5 and registrations are being taken at the Recreation Department. **HOCKEY:**

Hockey registration will be held in the Grandin Clubhouse, 5 Grenfell Avenue from 9 a.m. to 12 noon on Saturday, Sept. 14. **FIGURE SKATING:**

Registration for figure skating lessons will take place in the Grandin Clubhouse on Saturday, Sept. 21. Information about the times of registration for the different levels will be announced next week. **Y-NEIGHBOURS:**

Registration for the Y-Neighbours program will be taken on the first day, Monday, September 16, at 9:30 a.m. in the Community Hall. Cost is \$12 plus \$2 for each child.

St. Albert Ladies fastball playoffs

The St. Albert Ladies softball team that played in Edmonton this summer won the

GAZETTE CLASSIFIEDS
PH 458-2240

North-West Division title in a pair of close games in the playoffs. St. Albert finished third in the four-team league but turned tigers in the playoffs as they eliminated first place Evansdale 8-7 in extra innings and then scored a close 7-6 win over Welling-

ton, Donna Ermantrout was the winning pitcher in both games. Other members of the team were: Charlotte Newton, Marilyn Wakefield, Ann Crouser, Donna Tessler, Debbie Semlachuk, Connie Cooper, Sharon Dettling, and Bev Metoga.

Tourist Centre Reports Busy Summer

The Tourist Information Centre located on the St. Albert Trail near the Purple Dude reports that it has experienced a very busy summer supplying travel information and literature to travellers passing through the area.

Approximately 2,500 pieces of literature were given out to travellers who stopped at the booth since it opened in June. Henry Bonneville, who headed the booth, states that over 250 maps of St. Albert alone were given out. He also reports that all indications show that the Centre received more callers than many of the Edmonton booths. About 700 road maps and over 500 maps of the City of Edmonton were given out.

Henry reports that the successful summer of operation may lead to the establishment of a permanent booth on the Highway in order that information about northern communities, fishing, hunting, etcetera can be available on a year-round basis. The Chamber of Commerce and the Midnight Twilight Tourist Association are considering a permanent building in St. Albert. At any rate, the service will resume next year.

Soccer

Local league soccer will start up again on Monday, September 9.

Due to the shorter days only one game a night can be played on each field.

Mini-Mites - 6:30 Mondays

Mites - 6:30 Tuesdays

Peewees - 6:30 Thursdays

Bantams - 6:30 Fridays. Would all coaches please phone the boys on their team lists and advise Ken Armstrong at 459-8081 how many boys are still available to play.

Schedules will be available by Friday, Sept. 6.

Would coaches please advise Ken Armstrong of the results of the round-robin series completed before the summer vacation break.

FARM WOMEN HOME STUDY PROGRAM

By Pat Doerksen,
District Home Economist

A combination program consisting of two one-week sessions and 16 Home Study lessons will be offered at Vermilion College. Home Study lessons only may be taken, but attendance at the seminar is recommended.

The first part of the course will include Personal Health, Child Development, Home Management, Basic Book-keeping, Textile Selection and Care, Animal Health and Care, Home Planning, Tax Laws, Banking and Budgeting, Holiday or Travel Planning.

The second part will consist of Gardening and Landscaping, Preventive Maintenance, Consumer Education, Group Dynamics, Interior Design Estates - Wills, Changing Roles of Men and Women in Society,

Laws - Retirement and Pension.

Optional evening sessions will include crafts, pottery, powder puff mechanics, or listen to some guest lecturers.

The first session will be held from November 13 to 22, 1974; the second, from March 3 to 7, 1975.

Tuition fee for one week seminar and eight Home Study lessons - \$44.00. Home Study lessons only are \$3. per lesson.

Accommodation will be available at the college; room and board at \$6.75 per day. Rooms are limited and enrollment is limited to 25, so registration should be made early.

For further information contact: Chairman of Further Education, Vermilion College, Vermilion, Alberta T0B 4M0, Phone 853-3366.

Load and Go - DISHWASHING DELIGHT

A modern home today is equipped with a whole line of labour saving devices including everything from electric can openers to floor polishers. Right in there is the electric dishwasher - an appliance that many homeowners say they could not do without. The automatic dishwasher is more sanitary and reduces meal clean up time. It can help you keep the kitchen orderly since dishes can be stored - or hidden - in the dishwasher before washing!

WHAT ABOUT THE ENERGY?

With all the talk about saving energy, major appliance companies have taken care to produce equipment that works well using the smallest amounts of energy possible. The dishwasher uses approximately 14,200 B.T.U.'s per load. This really isn't too bad when you consider that energy is still being spent when you wash dishes by hand. If you are the type that keeps the rinse water running all the time you wash, then you are pouring away about 12,800 B.T.U.'s to wash 10 sets of place settings! REMEMBER it takes energy to heat up the water - if the faucet is allowed to flow freely the balance of energy could well tip in favor of the dishwasher.

ENERGY SAVING TIPS

Some dishwashers are more efficient than others, but whatever your choice, consider these energy saving tips:

1. Scraper food residue from dishes before loading. Do any rinsing in the sink with cold water. Avoid unnecessary use of dishwashers' rinse/hold feature.

2. Try using "short" or "light soil" cycles for regular washing; avoid using heavy duty for sanitizing cycles.

3. Do not wash a few items at a time. Wait until you have got as close to a full load as possible.

4. Stop the dishwasher when washing is complete, thereby eliminating the drying portion of the cycle (and saving electrical energy it uses). Open the door, pull the racks out and air dry the load.

5. Stop the dishwasher when washing is complete, thereby eliminating the drying portion of the cycle (and saving electrical energy it uses). Open the door, pull the racks out and air dry the load.

CHOOSING THE DISHWASHER FOR YOU

When buying a dishwasher, the kind you need depends on:

1. The number of family members.

2. The number of meals you prepare and serve daily.

3. How often you entertain.

Dangerous Dishwashers

The May 1974 issue of Consumer Reports contains a report on under counter electric dishwashers. There were three models that were rated unacceptable because of a potentially dangerous design. Two Frigidaire models and the Wards Signature 942 all lacked good safety locks on the door.

These locks can be easily opened accidentally allowing the machine to continue running with the doors open. Hot soapy water would then be sprayed out of the machine at a level where a child passing by could be injured.

Good Quality Dishwashers

One of the Maytag models was rated the top of the line dishwasher; but it comes with a top of the line price as well! The overall washing performance was well above average and the guarantee is good for five years against rust. There are two year guarantees on parts and one year on labour.

Next in the ratings were some Kitchenaid and General Electric models. Their overall washing performances were above average as well as their frequency of repairs record. The four dishwashers that were rated lower, but still acceptable included Whirlpool, Sears Kenmore, Tappan and Westinghouse. The differences in estimated overall quality between these models were small. Difficulties with some of these dishwashers included repair records, poor washing performance -- especially with the Westinghouse model, and food filters on the Whirlpool models had to be cleaned frequently.

"BEST BUY?"

The Maytag and Kitchenaid models, although top rated, are fairly expensive so one of the General Electric models was judged to be the best buy because of its low price combined with good performance.

MAKING THE DECISION...

Before buying an appliance such as a dishwasher it might be best to sit down and think about your wants and needs. What size dishwasher does your family need? Do you want a built-in or portable model? What features are important to you? Is there room enough in the kitchen for an appliance this large?

Will you make use of the dishwasher regularly?

Think... Before you Buy!

When a decision has been made to buy a dishwasher, keep a few points in mind -

1. Does it meet my needs?

2. Is it safe? i.e. door locks.

3. Is it within my price range?

4. Have I shopped around to compare prices?

5. Have I checked Consumer Reports or Canadian Consumer to read test results on specific models.

6. Did I check on the warranties and guarantees?

An informed consumer is a wise consumer, so enter the market well armed with knowledge of what you want.

A dishwasher is a fairly big investment, so make it work for you!

For complete details and ratings of Dishwashers contact your District Home Economist - Box 510, Morinville (256-3351).

WEEDS OF THE WEEK -

CANADA THISTLE AND

PERENNIAL SOW

THISTLE

They are reported as weeds of economic concern in all districts of Alberta, growing in cultivated fields, pastures, hay fields, lawns, gardens, rights-of-way, parks, forests and waste-land. These weeds are so familiar that no description is required to aid in their recognition. They grow very vigorously, have extensive underground root systems and produce many seeds which are widely scattered so these weeds are very difficult to control.

Even quite minor infestations will cause serious crop yield reduction.

Control involves a close study of the life system of the thistle and treating at the weakest point in that system. During the early part

of the year thistles draw from food stored in the root system to produce top growth and once this top growth develops it begins to replace food in the root. If the top growth can be prevented from developing no seeds will be produced to aid in dispersal and the root will gradually be starved. Development of top growth may be prevented by mowing, cultivation or chemical spraying. Continued vigilance is necessary to prevent reinfestation.

ALWAYS SOW CLEANSEED

For detailed control recommendations for specific crops, consult the appropriate Alberta Agriculture publication, available from your District Agriculturist or Municipal Fieldman.

CATTLE TEST STATION TRIAL-ELLERSLIE

District Agriculturist.

Cottlemen interested in placing bulls at the Ellerslie test station are to make application before September 13. These applications

DISTRICT AGRICULTURIST OFFICE

By Wally Klatt

District Agriculturist

Due to farm calls, office calls, programs, acreage calls etc. the District Agriculturist in Morinville will be in their office on Monday, Tuesday and Thursday. (Un-

less they're on course) Wednesday and Friday will be utilized for farm calls, acreage calls; courses etc.

Farmers, acreage holders and townspeople are requested to note the days the District Agriculturist's will be in their office.

GOOD SOIL TILTH REQUIRES MAINTENANCE

Re-issued from W. O. Klatt District Agriculturist

In cultivated soils, good soil structure or tilth is made - it doesn't just happen. Forming good tilth involves not only cultivating the soil but also adding organic matter. Once the organic matter has been added to the soil, it must be decomposed and the products of decomposition combined

with the soil mineral particles. By this process, the structure of the soil is improved.

The main sources of organic matter are plant residues and animal manures. Within the soil, bacteria and other small organisms break up the organic materials. Among the substances released from the organic matter and formed by the bacteria are complex sugars called

polysaccharides. When the polysaccharides are dissolved in water, they can link several clay particles together to form clusters or aggregates. Water is required both while the polysaccharides are produced and while they are combining with the clay particles.

In wet soils, the polysaccharide-clay complexes form very large open networks, with water in the spaces. As they dry, the complexes contract and allow more contact between the clay particles and polysaccharide molecules, thus forming more stable aggregates. The soil aggregates are the basis of good tilth.

These soil aggregates are quite stable. However, the polysaccharide part is biodegradable and, as a result,

good tilth is not everlasting. Consequently, to maintain a good soil structure, the supply of polysaccharides must be replenished by the continued addition of plant residues or manure.

It is ironic that manure, especially from feedlots, does not always appear to be worth the effort of spreading it to the land. Unfortunately, this evaluation of manure is based only on its content of plant nutrients and these are cheaper in the form of chemical fertilizer. What are needed are reliable estimates of the value of plant wastes and manure in the soil structure-forming process.

Released by the Lethbridge Research Station on July 31. Please observe release date and acknowledge source.

MORINVILLE MEMOS

By Marilyn Pelletier

The Morinville Board of Trade will commence their regular monthly supper meetings again after a two month summer recess. All members and interested prospective members are welcome to attend the fall kick-off meeting on Sept. 9, 1974 at 7 p.m. in the Morinville Legion Hall.

REMINDER: The ceramic classes are being held in the clubhouse behind the Notre Dame School. This year there will be one class only. So be sure to be there early, first come first served.

We were sorry to hear of the tragic auto accident that took the life of Miss Michelle Dupuis in her 13th year. She leaves to mourn her loss her parents, Albert and Marcelle Dupuis, her brothers, Bosco, Paul, Jack and Louise and Debbie, her two sisters.

Another person involved in the same accident was Miss Isabelle Caron (Bella) who is in the Intensive Care Unit at the University of Alberta Hospital. We understand she will be in there for at least a month. Take time and drop her a card as she will need all the thoughts and prayers of her friends and neighbors to get her through this painful time.

On August 28, 1974 the enrollment of Morinville Notre Dame School Association Kindergarten was held in the Recreation Centre at 8 p.m. There were 35 parents in attendance. At this meeting the parents could choose either French or English classes for their children. We are happy to note that both classes are full and there is a waiting list of approximately five children. There is a fee of \$5 per

month per child payable in advance.

The classes are held in the Notre Dame School in the basement. English classes - 9 a.m. to 11 a.m., French classes - 1 p.m. to 3 p.m. The next meeting will be on Sept. 23, 1974 same time, same place.

United Church Sunday services have been recommended at 10:30 a.m. in the Recreation Centre. Mr. Dan Brown officiating.

A meeting for the enrollment of United Church Sunday School pupils will be held Sept. 5, 1974 in the Recreation Centre at 8 p.m. To date there is only two Sunday School teachers.

Three more teachers, one superintendent and one secretary-treasurer are needed if parents would like their children to receive Bible Training please make an effort to attend. If we do not receive enough response we will have to cancel the classes.

There will be another Rummage Sale, October 22 by the Morinville Mothers' League to sponsor activities of the Guides and Brownies over the coming year. Would people with clothes, household items and articles for the White Elephant table please telephone 256-3280 to make arrangements for delivery of items to the Plains Western Gas office.

Farmers Market-Jamboree

A Farmers Market has been arranged in Morinville by the Central Sturgeon Agricultural Society on Saturday morning, Sept. 7. It will get underway at the Recreation Centre parking lot at 10 o'clock in the morning.

Anyone interested in selling their produce can do so for a maximum fee of \$2. Farmers will sell from their own vehicles and are requested to bring whatever supplies they may need. Further information will be supplied if you phone 256-3243 or 256-3091.

To round off the day the Harvest Jamboree dance and midnight supper will be held in the Recreation Centre Saturday evening, starting at 8 p.m. Tickets at \$3 per person may be obtained from

your local business outlets. During the evening the winning ticket on the Plymouth Cricket will be drawn. All proceeds from the event

will go to the artificial ice plant fund, and everybody is invited to come along and join the fun.

Large crowd enjoys Qui Barre tourney

The annual Riviere Qui Barre Horseshoe Tournament was held on Saturday, August 24 with a large turnout again this year.

First in the Doubles was awarded to Chris Camplon and John Stabilyk both of Edmonton and second place in doubles went to Glen Fisher and Dale Schafers. The class A singles was won by Dale Schafers with Chris Camplon taking second place. The class B singles was taken by Ted Park of Edmonton

and Ken McIvor of Riviere Qui Barre placed second.

The ladies trophy was won by Lois Read of Jarvie and a close second was Mary Smith also of Jarvie. The Riviere Qui Barre Recreation Society and the horseshoe players would all like to thank Mark McDonald of J. M. McDonald Trucking in St. Albert and Hector Soetaert, his farm sales manager for donating the trophies and making the tournament such a success.

Report from—Parliament Hill

By Stan Schellenberger, MP

Today, I thought I might tell you something about the government farm labour assistance programs which have been initiated in the past couple of years in an effort to alleviate a chronic shortage of farm hired hands not only in Alberta but across the country.

The Canada Farm Labour Pool was established by the federal government across Canada this year as a pilot project. It has six offices in operation in Alberta.

The program seems to be working fairly well but there have been some complaints from both the farmers and their hired help.

The major complaint of the farmer has been that the hand doesn't know anything. Farmers have encountered situations in which help have worked for a couple of days

decided that farm life isn't for them and left.

The hired help's complaints usually involve farmers who don't pay what they agreed to and don't give them time off to which they're entitled.

Another farm assistance program which is a joint federal-provincial scheme has placed some 5,500 students on Alberta farms this summer. This is up from 3,000 last year, the first year of the program. It is felt that the increase is due largely to a rule change which allows farmers to hire their sons and daughters.

Under this program, the Government pays a farmer up to \$200 a month for each student hired. Most students

average about \$400 a month plus free room and board.

The objectives of the program are threefold: to employ students, encourage future farmers, and alleviate the present farm labour shortage.

At this point it seems that both of the above-mentioned programs have been at least partially successful in dealing with the farm labour problem. However, the real crunch will come in the next few weeks as the young people leave the farms to return to school and farmers begin looking for assistance in harvesting their crops.

I'll have more to say about that problem in the coming weeks.

Your Shell Agent's guide to a better fall and winter

Your Shell Agent has the products you need to make your farm run smoother this winter. And he'll save you time, trouble and gas by delivering these products to you. Plan now and let him help you...

Look after your vehicles

in sub-zero temperatures with premium quality lubricants like Rotella T⁺ Multigrade Oil. You can use it (all year long) for light and heavy duty use in gasoline and most diesel engines. Your Shell Agent can also supply you with a complete range of quality Automotive-Tractor Accessories.

Better winter tip: You'll be surprised at your fuel savings when you keep your engines well tuned. And use lubricants recommended for cold weather operation.

Get better performance and mileage

with Shell's wide range of premium fuels—specially formulated to get the best performance out of your engines.

Better winter tip: The colder an engine, the more fuel it needs to warm-up. Keep your vehicles in a sheltered area and cover radiators for quicker starts.

Improve snowmobile and chainsaw performance

with Shell Super Snowmobile Oil. It's formulated with a "Quick Mixing" component giving you easy fuel/oil mixing even in sub-zero temperatures. **Better winter tip:** When you stop for a rest on your snowmobile, turn off your engine! An idling engine wastes fuel and fouls up plugs.

Warm up your home

with Shell heating oil. It's efficient, economical and comfortable.

Better winter tip: It pays to double check all doors, walls and windows in your house and barns. Proper weather stripping and insulation will bring you substantial savings on your heating bills.

For a smoother-running farm this winter, put your Shell Agent to work now. Call:

**SHELL FARM SUPPLY
EDMONTON**

13135 ST. ALBERT TRAIL

at 7:30 p.m. All young people 13 to 19 are eligible to join. A new training schedule is in tap for the upcoming season with a variety of field trips (dates to be announced) planned for the squad. Highlights of the summer break were the camps attended by the squad members. Attending CFB Penhold were LAC's Quaghebeur and Coulombe and Cpl. Hills for technical training, and LAC's Van De Walle and Schaffer for basic training. Sgt. Melnychuk and LAC Greshuk took venture training at CFB Camp Wright, Cpl. Lelouneau attended CFB Rivers, Manitoba for glider training and Flight-Sgt. Loblock attended CFB Cold Lake for the senior leaders' course. Sgt. Moore and Sgt. Melnychuk were two of the selected cadets invited to represent Canadian youth in the Salute to Aviation at the Calgary Stampede. Anyone interested in joining cadets and parents are invited to attend opening parade on Sept. 10 when officer staff and members of the sponsoring body will endeavour to answer your questions.

The Bon Accord and district Board of Trade held the regular monthly meeting on August 24 with vice-president Jack Burnham chairing the meeting. Beginning in September twice a month meetings will be resumed with the first one slated for Sept. 11 at 8 p.m. Interest in the upcoming election for council is keen and it is hoped that all candidates will have the opportunity to meet with the electors at a public meeting sponsored by the Board of Trade after nomination day on Sept. 18. In the meantime, plan to attend the meeting on Sept. 11.

Good news for members of Bon Accord and surrounding district who are interested in streamlining their finances. The Bon Accord TOPS (Take Off Pounds Sensibly) Club held an organizational meeting on August 28 under the guidance of Nora Pratt of Fort Saskatchewan. Executive for the new club are: Leader: Marjorie Morris; Co-Leader: Doreen Chopp; Secretary: Judy Heap; Treasurer: Lil Schick; Weight Recorder: Doreen Moore. This club is open to men, women, teens and pre-teens and will meet every Tuesday at 8:15 p.m. in the Bon Accord United Church. For further information feel free to contact any member of the executive. See you lighter!

The summer playground program closed on August 23. Leaders Deb Uchacz and Sharon Draper wish to thank all the 30 to 60 boys and girls who participated in the program and helped to make it so successful. The girls hope that everyone enjoyed the games, crafts and outings and wish to thank the mothers who helped with the following: swimming at Redwater, the picnic at Jordan Park, the trip to the

Alberta Game Farm and the movie at Lonsdownerry. A very special thank you is extended to Mrs. Frances Kreway whose bus was always available when needed, and a great big thanks to the boys and girls for the lovely gifts received by Sharon and Deb.

Congratulations to Sandy and Duncan McDougal on the birth of their son, Christian Ross, 7 lbs. 12 ozs. on August 28 and to Val and Bryan Tutton on the birth of their daughter, Cara Marie, 7 lbs. 6 ozs. on August 24.

The senior ladies football club wound up the season with a house party held at the home of Dave and Glenna Brennan on August 24. The Most Improved Player trophy, donated by the Bon Accord Community Centre was presented to Ann Latta by club coach Sandy Hett. The club enjoyed a most successful year, missing out on a first place finish by one point in league play. They won their semi-finals over Redwater and lost out in the finals to Gibbons.

Bon Accord Cemetery has taken on a cared-for look with the fence repaired and being painted and the grass cut, thanks to the Lions' Club.

Club.

A reminder-reorganization

tion for the hall on party is slated for Sept. 8 at 2 p.m. No turnout - no party.

Gibbons Arena opened with fine program

A large turnout of people of all ages from Gibbons and the surrounding district were on hand Saturday afternoon for the official opening of the magnificent new arena in the village of Gibbons. Mr. Earl Toane was master of ceremonies for the program and called first upon Mr. Clarence Minchau, president of the Sturgeon River Agriculture Society.

Mr. Minchau said he was happy with the wonderful turnout - a further indication of how co-operative everybody has been in the past. He wanted to introduce a well known citizen who had given endless years of service in Gibbons and had recently finished his 37 years of work in the Wheat Pool elevator - Mr. Earl Toane, the emcee.

"Many people have been involved in the arena project," said Mr. Toane, "almost everybody in Gibbons and district." He said he would like to recognize a few who played outstanding roles, while realizing the danger of leaving someone out. "When I look at this arena I think I was born too soon," he said. We have a facility here which will be used by young and old and can look forward to some wonderful times here. He said that one person who had made a fine contribution was not present - Joyce Porcili, who had just recently resigned as secretary of the Ag Society for health reasons.

Mr. Toane then introduced the platform guests, noting that there were quite a number and humorously suggesting that they be on the brief side. Mr. Carl Royan, regional recreation director recalled that when he first came to Gibbons in his new job, he had barely introduced himself - when somebody said "we need an arena in Gibbons." "I am happy to be here to share in your excitement and pride today," he said. "You have a tremendous facility and I would like to say a few words about volunteer work. People have spent whole days and many, many evenings giving of their free time and

often personal expense. Sometime, he added, it is easy to take this kind of effort for granted."

He said that Gibbons will have people from many communities coming to see the arena, and they will be unbelieving that such a fine facility has been built in a centre this size.

Mr. Reg Austin of Sturgeon School Division said he was happy to see all the young people present, and congratulated the Agricultural Society and all who helped on the arena. He announced that the contract had been awarded for an addition to the Gibbons school and work will be started very shortly. The community core school will fit in with the recreation and the work of the Ag Society he said, and is in a good location to do so. The school will contain a kitchen in conjunction with the gym, and Mr. Austin said he expected a Joint Use Committee would be set up with representatives from community organizations to arrange full use of the facility between six o'clock in the evening and 6 a.m. He went on to appeal to the citizens to take pride in the school building - we will have three blocks on public buildings here - and to take an active part in preventing vandalism.

Neil McLean was introduced as president of the Gibbons Recreation Board and a good hockey coach. Neil felt the arena would be of great benefit to the young people and congratulated the Society on all their time and work. "It's a beautiful, beautiful place," he said. He asked everyone to enjoy the two day celebration and have a real good time.

Mr. Toane then introduced "a man who played an important part, especially in planning and cost estimates - Mr. George Naum, manager of the Cambrian Group. "We started on this arena at our first meeting with Mr. Royan on Nov. 2, 1972," said Mr. Naum, "and have been two years in planning and construction. For the life of me I never thought I'd see it done

The ice surface area of the new arena in Gibbons in readiness for the official opening ceremonies last Saturday. It is standard (85 x 190 ft.) pro hockey size, with cement floor and electric plant. Platform stage is seen at left with Mr. Earl Toane testing the sound system which worked exceptionally well. Bleachers behind will accommodate 750 seated and there is space on the opposite side for a further 750 in the future. The 40 - 41,000 watt bulbs provide one of the best lighted

- and I am still amazed at where the money came from," he said. The perseverance of people he thought was remarkable. "I have spent days and nights - sometimes telling them their plans were possible. It amazes me that now I see it finished." He then presented a Key to the arena, mounted on an attractive plaque to the president of the Agricultural Society, Mr. Minchau. "You have done more than I," he concluded.

Walter Jerram, MD councillor for the division said it was an important occasion for the community, which can indeed be proud of what you have accomplished for the betterment of Gibbons. It was a bold and courageous plan to complete this magnificent structure, and I congratulate all of you."

Larry Keown of the provincial department of Culture, Youth and Recreation was introduced next and Mr. Toane noted he is now a resident of Bon Accord. "Three years ago I met with a few people in the old community hall here, said Mr. Keown, and we discussed the need for an arena. Here it is - and the minister, Horst Schmidt would have liked to be here, but he is in Spokane for ceremonies at the Alberta amphitheatre for Expo. He likes to say, Larry said, that it is never a matter of money, or even time - such projects are a matter of people working together. When I get back home I will tell the people of Bon Accord "eat your hearts out," he concluded, drawing laughter.

Mr. Ken Taylor, head of the Agriculture Services branch of the Department of Agriculture, through which the agricultural society grant comes, was welcomed by emcee Toane. Mr. Taylor said that three years ago there were 50 agricultural societies in Alberta and now there are 170, noting that grants have been made available to them in the amount of

one million per year over the past three years, which have been put to good use. We hear sometimes the phrase White Elephant, "but I feel that if facilities such as this arena gets young people involved in healthy activities, so that they avoid getting into trouble, they are more than worthwhile. If a young person gets on the wrong road at 17 years of age and eventually has to be locked up, it costs society \$1,000 a year. These costs can be more than facility costs and I believe the gamble is well worthwhile." He congratulated the Ag Society and all the volunteers who put in hundreds of hours on the project.

Ernie Jamison, MLA, spoke briefly, congratulating the Society and the people of the area on a "really tremendous" arena, and said he looked forward to seeing some hockey action in Gibbons this winter.

Mr. Bill Isbister of the Department of Municipal Affairs congratulated the Gibbons people on the nice new building and said he had met some people a few months ago and was able to give a little help with financing. "Money is only one component," he said, "what is more important is to get out and do it. He said the village was going to grow and will need facilities such as the arena, which he considered a wise investment.

Mr. Toane recognized some persons in the audience and asked them to stand, including MD Councillor Clay Crozier, local bank manager Bill Kundert and Gibbons Councillor Will Oliver. He also mentioned Mr. Fred Magera of the Agriculture Services Branch Mrs. Katie Mahbitt of Gibbons, and Mr. Guylander of the Ag Services, who was head of the Branch when the project started.

He then introduced a platform guest who "all your young life have been very active in community affairs and who recently had a whirl

arena's in the area. Lobby and concession area is approximately 24 x 40 feet and the meeting room with windows seen at back left on the mezzanine floor is about 60 x 40 feet. There are four dressing rooms with showers and toilets on the lower floor, a caretakers room, referees room, first-aid room, furnace room and meeting pl. Festive orange banners decorated the area for the opening celebrations.

in the entertainment business in a television appearance. This man and his family have played a momentous role in our community, over 101 years - Mr. Charles Brumfit.

People involved in healthy activities, so that they avoid getting into trouble, they are more than worthwhile. If a young person gets on the wrong road at 17 years of age and eventually has to be locked up, it costs society \$1,000 a year. These costs can be more than facility costs and I believe the gamble is well worthwhile."

He congratulated the Ag Society and all the volunteers who put in hundreds of hours on the project.

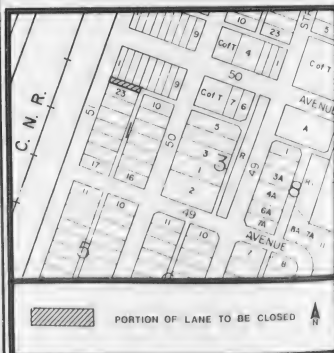

of \$2,737.

"If it were not for people, grants alone couldn't get a job done," said Mr. Rurak, and it has been said "when the going gets tough, the tough gets going." Through all the meetings - often two in one night with different people, the canvassing and travelling - I never expected such wonderful co-operation from everybody in town and in the rural area, we also See ARENA on next page

VILLAGE OF GIBBONS NOTICE OF PUBLIC HEARING

Pursuant to Section 175 of the Municipal Government Act, the Village of Gibbons intends to pass a By-law closing the following described lane for the purpose of disposing the land to adjacent property owners:

- (1) All that portion of lane running in an easterly direction from 51st Street for a distance of one hundred and twenty-five feet (125'), all in Block 1, Plan 868 C.G.

Any person objecting or prejudicially affected by the proposed Bylaw may make application to the Secretary-Treasurer to be heard by Council at a public meeting to be held THURSDAY, SEPTEMBER 19 at 8 o'clock P.M. IN THE VILLAGE OFFICE.

E. YEO,
SECRETARY-TREASURER
VILLAGE OF GIBBONS.

Mr. George Naum, manager of the Cambrian Group presents the ceremonial key to the arena, mounted on a handsome engraved plaque, to president of the Sturgeon River Agriculture Society during the opening program held August 31. Noted senior citizen of Gibbons, Mr. Charles Brumfit, who is 101 years old, joins in the applause as one of the platform guests.

Gibbons News

By Shirley Stehwand

Hall board members would like to remind everyone that there are memberships available to anyone interested. Memberships are \$1 per person and may be purchased at the post office. This \$1 will entitle you to attend meetings, vote, and have your say in the way the Hall is run. Meetings are held the third Monday of every month. Come on folks, instead of sitting back and complaining, let's get to these meetings and tell them what we want!

The June Fraser School of Highland Dancing will be

reopening in mid-September. Any boy or girl wishing to take lessons can contact June at 799-9580 or 475-1364.

THE LAST ROUND-UP

Thursday, August 29 an attempt was made once more to have a barbecue. However, the weatherman failed to co-operate. Gustly winds made it impossible to cook out of doors. Rather than postpone it again three members took their electric fry pan. Perhaps it isn't the same, but with all the fixings, the hamburgers tasted mighty good. Previous to the meal, bingo was played. No

roll call was taken, but a head count revealed 28 members and three visitors; Mr. and Mrs. Bill Schneider of Bon Accord and Mrs. Myrtle McCrimmon. Everyone enjoyed themselves, the women visiting, the men playing shuffleboard.

We were sorry to learn that the Sunshine Sisters were not able to attend the Arena opening, due to sickness among the group. We hope they will come again at a later date. Next regular meeting is Sept. 12. Don't forget the "Deluxe Tours" will be showing their films. Anyone 60 and over is welcome to attend.

Gibbons Fall Fest coincided with Arena opening

At the Saturday program which opened the beautiful new arena in Gibbons, Mayor Lobblek said he hoped the Fall Fest would continue as an annual event in the town. After the success of last weekends events it seems certain that it will.

There was a sell out crowd of about 1,000 at the Beer fest and dance Saturday night and in fact some people had to be turned away, and it is expected that a tidy sum will be realized by the Sturgeon River Agricultural Society which sponsored it.

The Senior Hockey Club

staged a most successful barbecue, serving approximately 500 persons and proceeds will also support the arena.

A ball tournament got underway Saturday morning, as did the midway by Wally's Amusements, which was set up on the street leading to the arena, blocked off for the occasion, and providing a centre of attention for the younger crowd. There was action for the bingo fans and the 4th club room at the arena's mezzanine floor.

Sunday afternoon the action moved to the school auditorium, where entertainment of a professional standard was very well received. Nancy Hayes with nine members of her school of dancing from Edmonton put on a marvelous show, highlighted by a medley of scottish dances by Nancy herself. A polynesian show involving a group of young

ladies from the city was extremely well done also.

The Frances Kyte School of Dancing put on an excellent variety program including comedy numbers, baton display and modern jazz dancing, and Gibbons own dancing group, under June Fraser also performed scottish dance numbers. A western band from Morinville rounded out the program, the Caravans, under the direction of Mike Pelletier.

Prizes in the Home Beautification program, sponsored by Joe and Anne Krupa and the Edmonton Seed Centre were awarded to Mrs. Steve Lamoureux and Mrs. Collin McLean. To qualify the project had to be one that was visible to the passing public.

The Agricultural Society and Gibbons Recreation Board put a lot of planning and work into the Fall Fest and were rewarded with enthusiastic support from the village and district.

Gibbons Arena Opening

had help from three levels of government, and while the overall credit goes to the people, the government help was necessary or the arena never could have been built. He thanked everybody, whoever you who contributed to the project and said this is just a beginning. If you want something, get out and get it, and if you want a helping hand, look at the end of your arm.

Mayor Lobblek speaking for the Village Council said that people like Don Rurak, Joyce Porcild and Clarence

Minchau just bent over backwards working and co-operating. He also said it was good to have Mr. Brumfit and Mr. Gibbons on the platform. "A facility such as this is beyond all proportion for Gibbons," he said, "but Gibbons is no longer the insignificant little community it once was. The growth is fantastic and those who should know tell us that we will have a population of 4,000 in two years." He said he hoped this Fall Fest would be a continuing thing in the town and hoped everyone would enjoy the two days.

Mr. Minchau told a funny story to illustrate the importance of having written contracts, and went on to say that despite having such a contract there had been problems under the winter works funding by the federal government, which originally committed \$100,000 in labour and \$100,000 by loan. "After we got underway on this basis we were told that Gibbons couldn't qualify, which caused a lot of grey hair and divorce proceedings. We had co-operated with the school board and the departments of Agriculture and Education in directing \$50,000 for the school, and are in an embarrassing position now, having lost - \$130,000. However we are proceeding with action and hope to come up with more funds.

Under the original arrangement the Society would have had 100,000 forgivable from the Federal government, 100,000 as a repayable loan from the Federal end, and 200,000 as a loan from the Provincial government, for a total repayable of 300,000. We now have a total on loan of 275,000, and have applied to have it spread over a 30-year period, treasurer Rurak said. The federal contribution was reduced to 70,000, repayable.

Mr. Toane introduced a gentleman who "has lived here long before the community was called Gibbons, and he and his family and their families have made an immense contribution to the district. He gave his name to our village and I

am very pleased and happy to call on Mr. Bob Gibbons to cut the ribbon and declare the Arena officially open. "We don't need any more talking," said Mr. Gibbons, "have a good time everybody -- and where are those scissors?"

Gibbons Lions Will Observe World Service Day October 8.

On World Service Day, October 8 over one million Lions in every continent of the world are asked to devote some time to service to their fellowmen. The kind of service could be determined by the member or his club. It may vary from a kind act to some individual to the carrying out of some worthwhile community, national or international project. Service day theme is One Million-One Mission-Service.

A cheque for \$2,377.06 was presented for the arena fund at the opening ceremonies held Saturday, representing proceeds of the Lions Walk-a-thon project in May. Total expenses were only \$44.26. Total pledges were \$2,987.31 leaving an amount outstanding of \$205.99. The Lions request the co-operation of the walkers and supporters involved in getting their pledges in to the Royal Bank, Konorsodo Store or Knott Bros. Garage. The Lions extend a sincere thank you to all who helped in any way with the arena walk-a-thon.

Applications were received for membership from Merle Hawkins, Gary Dowling and Charles Hare. Anyone wishing to join the Gib-

bons Lions is requested to contact a Lion or attend

the second and fourth Mondays of each month, at 7 p.m. in the community hall.

NOTICE OF CHANGE IN SENIOR HIGH ACADEMIC AWARDS POLICY

A revised academic awards policy has been adopted by the Board of Trustees. It will apply to awards made at the Annual Awards Night this October. The policy for Grade XII scholarships now requires an 80 per cent average (with no marks below 75%) in Grade 12 subjects in a minimum of 25 credits and specifies that the results of the Department Appeal Examinations will be accepted. The policy for academic pin and medal awards now requires an average of 80 per cent in English and other courses in a minimum of 30 credits. Details of the revised policy may be had on request.

The onus is on eligible students to forward copies of Department Appeal Examination results to the Superintendent of Schools, Sturgeon School Division No. 24, Morinville, Alberta, prior to September 7.

Legal News

By Lucienne Montpelt

Roland and Elaine Hebert from Providence Rhode Island had a pleasant visit with the Letourneau families during the weekend.

Congratulations to Miss Rita Larose who graduated CNA on August 26. Rita will be employed at the St. Paul Hospital. She is the daughter of Mr. and Mrs. Wilfred (Tigo) Larose. Good luck in your new endeavours Rita.

I would like to correct a mistake I made in the write up for Mr. and Mrs. John Zilinski's 25th anniversary. The page boy should have read Victor Zilinski and not Dobanko.

Monday, Sept. 9 was the date chosen by the Cabinet Ministers to visit our community. We would like to invite everyone in the district to come to the Recreation Centre before 2:30 p.m., in order to be there to welcome our special guests on their arrival on the school grounds by helicopter. Show your appreciation to our ministers for being privileged to have visit in our community by "Being There" on Sept. 9. Coffee will be served.

Mr. and Mrs. Real Auger accompanied by Mr. and Mrs. Ronald Bolsvert travelled to San Jose California to visit with Mr. Auger's sister and brother-in-law, Mr. and Mrs. Folk. It was their first trip to California, they really enjoyed the scenery and the beautiful warm weather.

Mr. Roger Cyr is back home recovering after spending sometime in the hospital.

Best wishes to all the students who have returned to school on Sept. 3, back to the books to buckle down for another school term, also to all the young adults who will be entering in a new career. Success to you all!

If you have any news don't hesitate to call and inform me, I will gladly send them to the Gazette. Call me at 598-3880.

A meeting will be held on Sept. 9th at 8 p.m. in the Recreation Centre for anyone wishing to register for piano lessons. Miss Sharon Savreau is willing to come to Legal to teach our children. She is a fully qualified teacher. For further information call Lucienne Montpelt at 598-3880.

Play school meeting will be held at 8 p.m. Sept. 10 at the Recreation Centre.

The Provincial Cabinet is coming your way September 9 and 10.

The visit is a continuation of the program begun last year which will take the Cabinet members to all areas of Alberta in order for them to learn first hand the needs and problems of each community.

You are invited to take this opportunity to meet members of the Provincial Cabinet. You're welcome to talk informally, or if you wish, make a formal presentation on behalf of yourself, organization or association.

Please listen to the radio or contact your local Municipal Office or Chamber of Commerce for the exact times and locations at which you may meet the tour.

GOVERNMENT OF ALBERTA

MD Council Hears Objections to Gravel Extraction Proposal

Twin Bridges Gravel Ltd., presented a proposal for gravel extraction at S.W. 16-54-26 in the Villeneuve area at the M.D. of Sturgeon meeting on August 29. Also present at the meeting was Cameron McKay representing residents in the area of the proposed gravel operation who were opposed to the project.

"The objection of the people I represent is quite simple," said Mr. McKay, "they do not wish to live by a gravel pit. Their reasons for that are based on past experience. With the persons living to the north of them, they have experienced the following difficulties: first of all are the huge and unsightly stockpiles; secondly the constant noise, the third thing is the lowering of water tables."

Mr. McKay also pointed out the ecological damage produced by gravel extraction and the damage and noise caused by truck traffic on the Villeneuve Road. "It seems to me that the question here is that many councils are experiencing, particularly anybody adja-

cent to the City of Edmonton, conflict between individual rights of these land owners who went into an area in which the general plan shows country residential. Suddenly they find an area being essentially used for agriculture (gravel extraction is considered agricultural use). I think whether agriculture includes gravel pits as a permitted use for all intents and purposes I think we must accept that this is industrial use."

"I have two points," Mr. McKay stated, "one is that putting this plant in here is contrary to the submissions made in the general plan and the second one is that I am not satisfied we have sufficient information on which the council can make a decision like the one they have to make."

Using Section 3 of the Planning Act, Mr. McKay went on to enlarge on his question as to whether or not a gravel operation would promote orderly and econo-

mical development without infringing on the rights of individuals. In his opinion, the gravel operation did not seem to conform to this.

Mr. McKay also pointed out that high quality soils are to be retained for agricultural use. He stated that the soils in the area of the proposed gravel operation were of categories 1 and 2.

Calling to mind the needs of the MD of Sturgeon for gravel and the needs of the City of Edmonton, Mr. McKay asked if the council would be considering the needs of the City of Edmonton, Mr. McKay also asked if the project would only involve this gravel operation or if it would consist of more, perhaps even an on going extraction of all the gravel deposits in the area.

In response to the points brought out by Mr. McKay, Mr. Flynn stated that these points were not new to the council and would be considered when the time came to make a decision.

Sturgeon Ed. Council to announce programs

The Sturgeon Further Education Council Tabled announcing fall adult education courses will be mailed during the last week of September to all residents of the Sturgeon area including Morinville, Ben Accord, Gibbons and Leduc.

The tabloid will give details and registration information for all courses sponsored by regional and local recreation boards, the agricultural service board and school boards in the area.

About 50 courses are expected to be offered in the 16 Sturgeon area communities during the fall semester.

Namao

By Norma Crozier

Namao United Church Sunday School will resume on Sunday, September 8, 1974 at 11:30 a.m.

Namao U.C.W. will hold their September meeting at the home of Mrs. Ted Samis on September 11 at 1:30 p.m. Everyone is welcome to attend.

A reminder the Sturgeon Tabled will be mailed to residents of the area about the end of September, outlining the Fall Extension Programs.

Get well wishes to Archie Junkin who is recovering from pneumonia.

Mr. and Mrs. Wm. Jamieson, who were long time residents of Namao, took part in the lawn bowling at the Alberta Games recently.

LOST & FOUND

If you have lost a pet, it may have been taken to the St. Albert Animal Clinic. Phone 459-3600

Have you got what it takes?

... to be a School Trustee
County Councillors are also School Trustees

You can qualify if you are:

- able to speak, read and write English and/or French
- 18 years of age or older
- a Canadian Citizen or a British subject
- a resident of the Province of Alberta for twelve consecutive months prior to nomination date of September 18, 1974
- a resident in the school district in which you seek nomination for six consecutive months prior to September 18, 1974

NOMINATION FORMS
ARE AVAILABLE AT YOUR
LOCAL SCHOOL BOARD
OR COUNTY OFFICES

AN IMPORTANT JOB

Those elected must be capable of making decisions on spending public money wisely, on how and what the children of this community will learn. Elected School Trustees will also influence decisions on hours, bussing, buildings, salaries, curriculum, maintenance, and holidays.

GO AHEAD

... get involved. Don't leave it up to someone else. September 18th is nomination day for this three year office. Let your voice be heard. For a free brochure "Be a School Trustee" contact your local School Board or County Offices.
